My Brothers

I would like to thank Eureka Northshore Lodge No. 269 for hosting all of us this month. Dinner and hospitality was amazing.

Installation season has come and gone and I would like to Congratulate all lodges and officers for 2022. I know this year will be a great year as we move away from Covid.

Let us all make it our goal to travel in between all lodges. I know our Cable Tow is tight at times but now more than ever we need to strengthen our Fraternity.

Lastly my brothers continue to study, set goals for proficiency cards. There are many resources available to us in our District. An educated Mason is a dedicated mason.

Faternally,

Open Books (5:00 PM-8:00 PM) Feb. 3rd & 21st, 2022 at Doric Lodge No. 140
School of instruction (7:00PM-8:00PM) Feb. 3rd & 21st, 2022 at Doric Lodge No. 140

Dear Brothers,

I believe we all know that Freemasonry is, “a system of morality, veiled in allegory and illustrated by symbols” (Mentor’s Manual, pg. 3, 2008). All Master Masons have gone through the three symbolic degrees and through great studies understood some of the meanings within each of the degrees. Since Freemasonry is a life-long journey in the development of our morality through methodical research, experiential and introspective work, by adhering to the tenets of our order; I thought it interesting to convey to you, thoughts on certain aspects of our degrees to stimulate further interest in our esoteric learning.

The first or Entered Apprentice Degree in Freemasonry includes the pre-assessment of a candidate to prepare him for the receipt of the degree. The Brothers bringing the candidate into their Lodge should have impressed upon his mind the three qualities, which an Entered Apprentice must possess if he is to attain full benefit and enjoyment of our Fraternity. These are Obedience, Humility, and Industriousness. Let us reflect upon this further and ensure that we are properly preparing our candidates to properly receive the ritual. As the candidate is conducted through the singular perambulation, we as the observers see his progression around the Lodge in a clockwise manner, which is patterned after the movement of the sun as is seen from our planet moving from East to West by way of the South (Mentor’s Manual, pg. 9, 2008). This perambulation teaches the apprentice and us all that Freemasonry is a progressive science and by means of it, man may gather truth as he progresses. It is during the Entered Apprentice Degree that we use those working tools of an Entered Apprentice in wise time management and changing ourselves from the rough Ashlar to the perfect Ashlar. All this happens at the ground floor of King Solomon’s Temple. At that point we are ready to become Fellows of the Craft.

The Degree of Fellow Craft emphasizes the dignity and worth of the individual and represents man as an instrument of the Supreme Architect of the Universe. Fellowcrafts have the duty to invent, create and achieve, and express his own generous and individuality. Fellowcrafts symbolize the man in the prime years of his life, accepting responsibility of being a man, a family member, and a Freemason. This degree teaches us the importance of knowledge and a proper well-rounded education. The Fellowcraft performs two perambulations around the Lodge and a symbol of his continued journey for light crossing through two beautiful brazen pillars, which are a symbol of strength and establishment and imply power and control over the self. By passing through both the Fellowcraft understands that power and control are place before him that he may realize power without control is anarchy or that control without power is futility (Mentor’s Manual, pg. 17, 2008).

Open Books (5:00 PM-8:00 PM) Feb. 3rd & 21st, 2022 at Doric Lodge No. 140
School of instruction (7:00PM-8:00PM) Feb. 3rd & 21st, 2022 at Doric Lodge No. 140

The Fellowcraft proceeds up a flight of winding steps representing the progress of an inquiring mind with the toils and labors of intellectual cultivation and study. His journey up the stairs take him to the Middle Chamber where he receives his wages, which are truth or that approximation that is most appropriate to him. His journey up the winding stairs is one of continuous search of truth and we never really may never find it but those who are wise may realize that the knowledge of the nature of God to man is a Divine Truth that can never be fully acquired in this life. It is the progression of the Fellowcraft through the outer porch, which symbolically represents his journey from ignorance to enlightenment. The Fellowcraft Craft is reminded that he is committed to the acquisition of knowledge and application of same.

The third or sublime degree of Master Mason is a solemn series of ceremonies that impart a profound lesson of wisdom. The key design of the Degree is to symbolize the great doctrines of the resurrection of the body and the immortality of the soul. The Lodge becomes a representation of the Sanctum Sanctorum of Holy of Holies of Solomon’s Temple at Jerusalem and a symbol of Heaven for the Hebrew people, for Solomon built it as the dwelling place of Jehovah (Mentor’s Manual, pg. 19, 2008). In this degree we are symbolically brought into the presence of God to learn the lessons which it is intended to teach. The degree provides the most magnificent lesson and greatest truth. That having been faithful to his trust, he must at last die in order to attain the ultimate rewards of his fidelity. The great design is the teaching that the soul is immortal. The ceremonies of this Degree lead to the inevitable conclusion that youth, properly directed, leads to an honorable and virtuous maturity and that, regulated by morality, faith and justice, life will be rewarded in its closing hours by the prospect of eternal bliss and immortality. In this Degree is where we realize that the Solomon’s Temple is a symbol of the conception of man as a living Temple for the enthronement of God within each of us. Thus, Freemasonry helps each of its members to build a more magnificent mansion for the in-dwelling of God.

I hope these descriptions of the Degrees of Freemasonry provides the readers with some food for introspection and I invite all Brothers to come to our Open Books each first Wednesday and third Monday of each month. To be a good and bright Mason a man must be of sound mind and retentive memory, but he must also be willing to study and learn the esoteric works of our Fraternity. Let’s keep building that spiritual mansion, for God to dwell within us.

Fraternally,

R.:H.: Hector Mirabile, PhD District Instructor

February is the perfect month to share the love we have in our great district. Hollywood would like to take the time to express our gratitude to all of the masons and their lodges who have been generous to our girls. You not only provide us with financial support to help get these girls to our annual Grand Assembly, but you have also give them your words of encouragement and praise as we have shown up to serve the dinners for some of the Installations. Please know how much the simple smile and thank you means to our young girls as they develop into their leadership roles. Special thanks to those lodges who asked us to serve: Grotto, North Star, Cornerstone, and our sponsoring lodge, Eureka North Shore. Your generous contributions have moved us closer to our goal of sending all 7 girls this term to Grand Assembly.

We are pleased to announce our installation and beginning of a new term. Our Grand Hope, Nyekia, daughter of a Mason in Cornerstone Lodge will be taking on the Worthy Advisor office through to her majority this year. Her theme is "Moral of the Story." Our girls, some of whom will be stepping into their very first office, will be sharing the lessons of Rainbow, building up their proficiency so they can take on higher offices, and hopefully reaching out and joining with our elders to gain their insight to life's lessons learned and grow in the Rainbow lessons of immortality and fidelity.

Hollywood is so happy to welcome our newest advisory board members, Tio Leon Cintron (Coral Gables Lodge) and Tia Jeny Cintron (wife of a mason), who will strive to assist us in growing our Rainbow community in District 27. Our goal is to build up the pledge population in the hopes of rolling this into it's own assembly. So we can once again have Rainbow representation for our future leaders in the Miami areas. Thank you to Leon and Jeny for taking on this leadership role for the good of the order for many years to come. We look forward to sharing it's successes as we grow. We also send out congratulations to our DeMolay brothers who have been growing. Congratulations on your Initiation!

Hollywood always welcomes new girls to join our growing assembly. It is the perfect time for a young lady to begin her journey. If you know of a young lady who may be interested, please reach out to one of our sisters or advisory board members. Thank you to our district for all you do to help us grow!
