My Brothers,

Let's take this time in the year to reflect upon the work we're doing. We are almost at the halfway point of the calendar year, let's look, assess, and address our Rough ashlar. If every year we keep building, and growing our temples, ourselves, and our families, the community will notice.

I challenge every brother in the district that does not have a Masonic license plate to go out and get one. Not only will we support our Masonic home, but it's an easy way to tell the world about us. Just remember your obligations and represent the Fraternity with honor and fidelity.

I have noticed every lodge in our district is traveling more, making it a point to visit each other. Let's keep that going. I have been in many full Lodges, with wonderful dinners. The Fellowship this year has been outstanding.

Last but certainly not least, Thank you to the brothers of North Star for hosting Masters and Wardens this month.

Fraternaly,

W.: Eran Erez, PM

## 26th MASONIC DISTRICT DISTRICT DEPUTY GRAND MASTER

**R.: W.: Ryan Lombardi, P.M.**  
**Cell: 954-348-8501      Email: [Ryan.lombardi@aol.com](mailto:Ryan.lombardi@aol.com)**

My brothers, I hope this finds you all well.

As we enter the month of May the reality of grand Lodge is quickly approaching and with that the conclusion of my time serving as your district deputy grandmaster.

I must say my brothers it has been one of the great honors of my life to work alongside all of the Masters, Wardens, and the great brother of the mighty 26th Masonic district.

This year we have emerged triumphant over and out of the pandemic and while bruised we were not beaten. We have seen incredible strides forward in regards to Masonic education within our District as well as a healthy increase in membership thanks in part to the efforts put forth by the Grand Lodge of Florida as well as the brothers of each and every lodge.

My brothers the mighty 26th have embodied the Grandmaster's vision of "strength in numbers, power in education" and for that, I congratulate you all and challenge you to continue the work and progress.

This year I have had the pleasure of traveling with 13 of the hardest working committeeman I've ever served with. Having at least one representative from every lodge in our district, these men have served the craft, myself and the Grandmaster with the upmost honor and diligence and they should be commended.

We set out this year to unite our district even further by reminding the brothers that the obligation we took at our sacred altar extends far beyond our lodge walls but to all the brothers in the district and the idea that every lodge no matter how big or small share equal importance and that my brothers are to not only make Masons but to make good Masons.

I am so proud of the work being done in the mighty 26, from the cross lodge meetings to the movement of the traveling gavel, joint fundraising, and supporting each other's lodge events. working across lodge lines for the greater good of the craft can only ensure a strong and more united tomorrow. This my brother is the masonry we all deserve and what freemasonry demands for all that she gives.

To the past masters and Right Worshipfuls, I ask that you continue to teach and mentor our newer brothers. Exemplify the promises made to them while receiving the entered apprentice lecture, show them all what it means to be good men and bright Masons, remind them that masonry is bigger than any one man and that with true sacrifice comes a greater understanding of the Grand Architects plan and then my brothers, step back and give them the space to grow into leaders of tomorrow.

Masonry has and will exist long after any of us have laid down our working tools. The testament of a true leader is a man who can settle into his long rest knowing that he has left the world a better place and his fellow man more prepared to carry on God's great work with reverence, pride, and honor to himself and this great fraternity.

Thank you all for the support and love you have shown me this year. Please know that I am truly grateful and that I will always be ready to labor alongside you, to learn with you and to support you in any way I can.

R.: W.: Ryan Lombardy, PM  
District Deputy Grand Master

School of instruction (7:00PM-8:00PM) May 4th & 16th, 2022 at Doric Lodge No. 140

Greeting Brothers,

It was a pleasure serving our Grand Master Jeffrey S. Foster as your District 26 th instructor. This year we had a great number of Brothers coming to open books. That is thanks to all of the Brothers who are highly engaged in the study of Freemasonry and our rituals. I would also like to thank my partner in the rituals, R.W. Michael Tishman for his tireless efforts in being part of the Committee on Works and keeping our rituals at the highest standards. I would also like to thank our R.W.D.D.G.M. Joseph Fleites for his great work and support and wish him well in all his endeavors.

As a professor I can't help myself but to leave with a bit of Masonic education. After all that is what we search for, more light. Have we really thought about the Master Mason Degree Second Section and what it all means? Without revealing the secrets let's ask a few questions that should spark some good debate. Why did it take three Grand Masters to convey the secret word of a Master Mason? This is never explained, and it is left up to us to try and figure it out. If we progress in the "higher" degrees of Freemasonry, we may find the lost Word but that doesn't explain why it takes three Grand Masters to convey it. If you figured it out, please write a paper on it and communicate it for the benefit of the Craft. I encourage all to read Albert Pike's Masonic Formulas and Rituals (DeHoyos, 2010, pg. 115). It is simply stated.

We know that the Hiram Legend discusses the three gates and the nefarious actions taken in each but why the use of those implements and what is their esoteric meaning. Remember that the 24" gauge and the throat, the square and the breast, and the setting maul and the frontal lobe. Albert Pike has concepts regarding the meaning of the use of the implements and I hope you enjoy the research. We are introduced to the number twelve with the twelve Fellowcrafts and how they are broken into four groups of three in search of the lost Grand Master. What is the meaning of the twelve Fellowcrafts and their separation into four groups of three each searching in the four cardinal directions? The quantity of Fellowcraft is not a happenstance but a deliberate allusion to a cosmological process.

School of instruction (7:00PM-8:00PM) May 4th & 16th, 2022 at Doric Lodge No. 140

Let's move to the discovery of G.M.H.A.'s body and what the meaning of the raising of it means. There are many, including Albert Pike who posit that it is the Osiris Legend retold in a new format. Well, Osiris was reborn. Interestingly enough, the ritualistic purpose of the raising of the body by King Solomon is for proper internment but after the raising of the body by way of the five points of fellowship, a Word is whispered to the body, and the play ends. What happened to the body? Where is the denouement of properly interning the body? Why did the ritual end there and what is the meaning of the raising of the body, by the effective method last used by King Solomon?

For those interested in further light I humbly recommend the reading of Albert Pike's Morals and Dogma. You can read the first three degrees as described by Pike from various points of views that will enlighten you and possible answer some of the aforementioned questions. There is so much mysteries involved in the first three degrees that one can spend a lifetime researching and enjoying its concepts. Regardless, the purpose of the rituals is to provide a path for making good men better and thus, simply reading and memorizing is not enough. We must practice the wisdom contained in the rituals.

Again, it was a pleasure being your District Instructor and I pray for our families' health and welfare.

Stay safe, gain further light, and practice what you learned.

Fraternally,

RH Hector Mirabile, PM  
District Instructor 26th Masonic District

Let the games begin! Hollywood is about to set out for a weekend adventure at the *Life's a Game, So Let's Play!* Fun Day Weekend. We will gather with the girls from across the state competing in some life size games and challenges. We look forward to reporting back all of our good times together.

Be sure to visit the Florida IORG YouTube channel this week for the latest episode 6 on GWA TV. You can catch up on what's been going on around the state.

Thank you to Cornerstone Lodge and our own Tio Leon and Tia Jeny on our advisory board for your support of our girls during Youth Appreciation Month. We are so blessed by your generosity.

Congratulations to Ariana who has been appointed Flag Bearer for the Florida Flag at Grand Assembly this year. We will have two Grand Officers and three Personal Pages on the Grand Assembly floor this year. Please visit our website for information about how you can register to attend our Friday evening session in St. Augustine at the 76th *Heart and Soul of Rainbow* Grand Assembly Session. Want to buy an add in the program to celebrate your lodge? Go to our Facebook Page for all of the information. The deadline has been extended.

More than anything, we want to see our assembly continue to grow! If you know of a young lady who may be interested in joining a group of girls focused on strengthening the girls with fundamental skills for success, reach out today. There is just enough time for new members to be initiated at our Grand Assembly at the end of June or perhaps a special initiation this summer. Thank you to everyone for all you do to support our girls!
